Brückeninspektionsarbeiten - Schrägseilbrücke

A new notice for skippers is available for Wien in Austria in the original language German from via donau, which has been compiled by via donau on 22. August 2011 at 13:07 o'clock:

The fairway and traffic related message No. 109/00 in the year 2011.

Subject: Clearance height

Published by the Schifffahrtsaufsicht Wien.

Reason for the message: Work.

This message is valid on 1. September 2011.

This message is valid for the river Vienna Danube canal, river km 13.3 to 13.3.

For the bridge (fixed, opening, lifting, aqueduct) Schrägseilbrücke, river km 13.3 is valid in the period from 1. September 2011 01:00 o'clock to 1. September 2011 04:00 o'clock continuosly the following limitation: special caution in the whole area.

the following limitation: clearance height reduced by 2.5 m in variable position.

the following limitation: do not create wash in the whole area.

Additional text in national language: Wegen Brückeninspektionsarbeiten kommt es zu einer Einschränkung der Durchfahrtshöhe von 2,5 m. Die Schifffahrt ist grundsätzlich nicht behindert.
