Notices to Skippers in Slovakia

- **Provider of NtS:** State Navigation Administration
- the service has been under the pilot run since March 2009 and it includes the messages of SLOVRIS
- Daily these messages are generated about the water level on the state national water gauges which are remitted to all vessels according to the request

- **Available at** : http://nts.slovris.sk

One message NtS about limitation for vessels

Notice to Skippers
